PER IS
DEPUTY CLERK

Your Honorable Judge Kane,

My name is Maurice L. Whyte aka Armani.
I am the plaintiff in case no. 1:21-CV-124.

I am writing because I no longer have
the ability to represent myself in this matter.

I was previously in a facility where my access
to the legal library was unlimited. I am
now in a facility where there is a law library
which consists of a computer with wordpad
and Lexis-Nexis. There is only one for the entire
Prison and you have to be put on a waiting
list to use it and it is in constant use.

I cannot possibly meet the filing deadlines
on top of preparing briefs, motions and/or
doing the appropriate research under these
circumstances. I have been able to get into
this "law library" once in almost 2 months.

This case is easily arguable and an
overwhelming amount of incriminating
discovery material is in my possession
and more is being forwarded by the
defense attorney as a result of my request
for production of documents and things.

I believe this case will require an investigation
and that a dismissal will prevent me from
acquiring the justice I deserve. I requested
the court to appoint counsel prior to me
being transferred to this facility. Whyte

I cannot access legal materials appropriately.
I am asking the court to reconsider this.
Even if I can come up with the money to
hire one, I don't have the resources to find
them. I have no family or friends in PA.
Thank You in advance.

M. Whyte
